

# Foreclosure Search Results

The Foreclosure Search Results page lists all the properties found for the criteria you entered. You can view, save or share this list as it is, or you can filter it down further.

Let's take a look at what you'll see on the page, then we'll talk about how to get the most out of the tools available to you.

## Top of the results page

The screenshot shows the top portion of a web-based real estate search interface. At the top, there are two tabs: "Foreclosure Search" (selected) and "Prospecting". Below the tabs, a search summary indicates "3 129 Properties". A map is displayed with a "MAP VIEW" button. On the left, there is a sidebar with search filters: "Defendant" (highlighted with a green box), "Parcel Id", "Case Number", "City", "File Date" (set to 02/10/2015), and "Auction Date" (set to 01/31/2015). The main content area displays a list of three properties:
