

## Search Results

The Search Results page lists all the properties found for the criteria you entered. You can view, save or share this list as it is, or you can filter it down further. You even have the option to save your results to use for future activities.

Let's take a look at what you'll see on the page, then we'll talk about how to get the most out of the tools available to you.

### Top of the results page

The screenshot shows the 'Property Search' interface. At the top, there are two tabs: 'Property Search' and 'Prospecting'. Below the tabs, the search results are displayed. Callout 1 points to the 'Search Results: 13 Properties' header. Callout 2 points to the search criteria input fields on the left, which include 'Owner Name', 'Street' (containing 'GRAYSWOOD HILL RD'), 'Subdivision', 'Parcel ID', and 'MLS ID#'. Callout 3 points to the 'SAVE RESULTS' button. Callout 4 points to the list of properties, which includes details like '2 Grayswood Hill Rd', 'Signal Mtn, TN 37377-2325', 'Parcel ID: 116D E 010', 'Owner: Verville Gregory L Tr Verville Jennifer Womack Tr', and 'Subdivision: Carriage Hill Unit 3 Lot #: 133'.

2. Criteria you've entered so far
3. Key to symbols used in the list
4. List of properties that match your search criteria

### Filter your list further

Use the box that displays your current criteria to filter your list even further. Just add new criteria, like a street name or parcel ID, and click Update Results to reduce the number of properties on your list.

View **Simple Results** or **Custom Results**

By default, you'll see Simple Results when you perform your search, showing only the property address, parcel ID, and owner's name. To choose exactly which details to show on this page and in your exports or printed lists, just select Custom Results. Custom Results will change the view to include the information you have set up on your Profile & Settings page. For more information on setting up the fields in your Custom Results view, visit our [Profile & Settings](#) page.

Once you have set up your fields, you can sort your results by selecting once on any of the column names. You can change the order of your columns by dragging and dropping them to your preferred location.

## Save results for easy retrieval

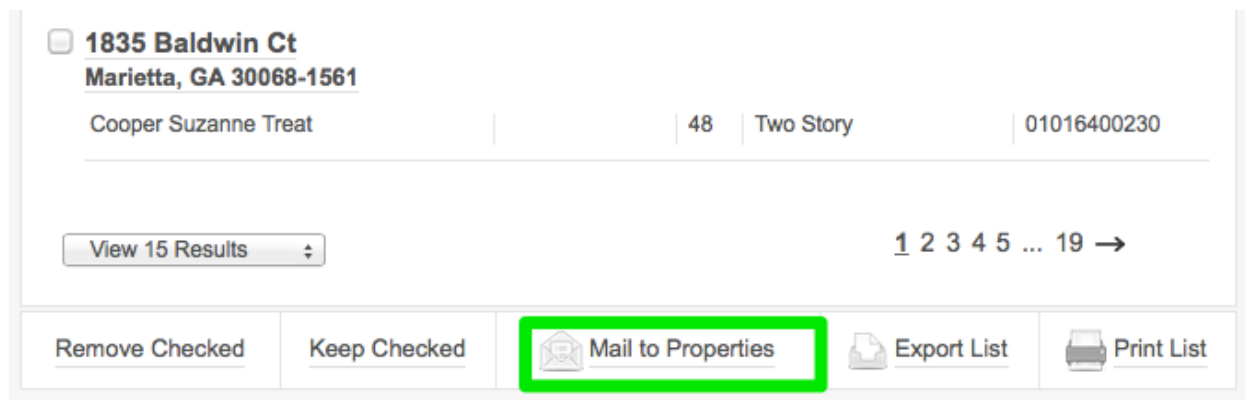

Click the Save Results button, enter a name, then click Submit to save this list of properties. You'll be able to choose these results from the main Property Search page, saving you from entering the criteria by hand.

The screenshot shows a web interface with a 'Foreclosure' tab and a map. A 'SAVE RESULTS' button is highlighted with a green box. A green arrow points from this button to a 'Save Results as:' dialog box. In the dialog box, the text 'Last name Cooper' is entered in a text field. Below the text field, a 'SUBMIT' button is highlighted with a green box, and a 'Cancel' link is visible to its right. Below the dialog box, a property address '5800 152 Oakdale Rd Unit 9' is visible, along with a 'GA' state indicator and a house icon.

## Send a mailing to all the properties on your list

If you'd like to create a mail merge file for printing labels with the addresses of all the properties on your list, just click the Mail to Properties link at the bottom of the page.

The screenshot shows a list of properties. The first property is '1835 Baldwin Ct, Marietta, GA 30068-1561'. Below the address, the name 'Cooper Suzanne Treat' is listed. To the right of the name, the number '48' and the text 'Two Story' are displayed. Further right, the number '01016400230' is shown. Below the property list, there is a 'View 15 Results' button. At the bottom of the page, there are four buttons: 'Remove Checked', 'Keep Checked', 'Mail to Properties' (highlighted with a green box), and 'Export List'. To the right of these buttons is a 'Print List' button.

On the following page, you'll be able to set all the options for your specific needs. You can decide which information should be included or excluded and how it should be utilized. You can also choose to export to a variety of file formats or create a file for printing labels. If you do not have any more Exports or Labels left in your plan for the month, you can purchase up to 3,000 additional exports. Go to [www.rerecordsearch.com/subscribe](http://www.rerecordsearch.com/subscribe) to get additional access right away. Or you can simply wait until the counter starts over in the next calendar month.

## Export or Print list

Click the Export List link to download an Excel file.

Click the Print List link to send the list right to your printer.
